U.S. Patent & TMOfc/TM Mail Rcpt Dt. #22

Brief in connection with the above-identified United States Trademark Application.

Good cause in support of this Request is present inasmuch as Applicant has encountered health issues which has caused rescheduling of the in-person interview with the Examining Attorney assigned to this Application at the United States Patent and Trademark Office originally scheduled for March 10, 2015. The purpose of this interview is to attempt to either resolve or reduce the number of outstanding issues now on appeal. Such resolution or reduction in the number of issues, may also impact the disposition of at least twelve (12) other related applications assigned to the Examining Attorney, and/or now on appeal to the Trademark Trial and Appeal Board. Accordingly, granting this Request should enable the Examining Attorney and Applicant the time to meet to discuss this and other pending Applications.

This Request is made in the interests of justice, not for the purposes of undue delay, and granting such an extension may result in economies of time and expense to the Trademark Trial and Appeal Board as well as the Applicant in connection with this and other pending Applications.

CONCLUSION

WHEREFORE, for the foregoing reasons, Applicant respectfully requests that the Trademark Trial and Appeal Board grant this request to extend the time for Applicant to file an Appeal Brief in the above-identified Application.

The Commissioner is hereby authorized to charge any deficiencies or credit any overpayment related to this submission to Deposit Account Number 50-5017.

Respectfully submitted,
