Eric McWilliams, Supervisory Paralegal:

On July 28, 2015, the Board issued an order acknowledging Applicant's brief dated July 27, 2015, and forwarded this appeal to the Trademark Examining Attorney for a brief in accordance with Trademark Rule 2.142(b). A review of the record reveals that Applicant submitted a request for remand on July 23, 2015, which is noted.

Applicant seeks remand in order for the Examining Attorney to consider additional evidence which was not previously available. Good cause having been shown, the request for remand is granted, action on the appeal is suspended, and the file is now remanded to the Trademark Examining Attorney for consideration of the evidence submitted with the July 23, 2015 filing.

In the event registrability is found on the basis of this paper, the appeal will be moot and the Board should be so informed. In the event the refusal of registration is maintained, the file should be returned to the Trademark Trial and Appeal Board, proceedings will be resumed and Applicant will be allowed time in which to file a supplemental brief if it so desires.
