In re Starbucks Corporation

Serial No. 85792872

Filed: 12/3/2012

Joi M Wilson, Paralegal Specialist:

Now before the Board is Applicant's fourth request for remand filed November 21, 2017.

By way of background, on October 19, 2017, the Examining Attorney denied Applicant's third request for reconsideration. In the denial, the Examining Attorney expressly noted that the request was limited to the impact of the recent Board decision, *In re Univ. of Miami*, 123 USPQ2d 1075 (TTAB 2017) and did not consider any new arguments or evidence unrelated to that decision, including the supplemental declaration of Katherine Jean Seawell.

In an abundance of caution and to ensure that all relevant arguments and evidence has been considered, the Board hereby finds that Applicant has demonstrated good cause to grant Applicant's request for remand. The EA should note that this remand is not limited to arguments presented in connection with In

Univ. of Miami, 123 USPQ2d 1075 (TTAB 2017), but that in fact any and all new arguments and new evidence must be considered, including the supplemental declaration from Ms. Katherine Jean Seawell. No further requests for remand, however, will be entertained. The Examining Attorney is advised to delete the six month response clause if appropriate.
