REQUEST TO REMAND

Pursuant to TBMP §§ 1205, 1206 Applicant, Kid to Kid Franchise System, Inc., herewith submits its request that the Board remand this matter to the Examiner for further examination.

In the Final Office Action, the Examiner refused the Application based on an improper description of the mark and based on a likelihood of confusion with a prior registration. Applicant intends to amend the description of its mark consistent with the description suggested by the Examiner. Additionally, the Applicant has negotiated a consent agreement with the owner of the cited registration. Therefore, the issues cited by the Examiner should be resolved and the pending Appeal will be moot. Remanding the Application to the Examiner is therefore proper.

CONCLUSION

In view of the foregoing, Applicant respectfully requests that the present application be remanded to the Examining Attorney for examination of the amendment. If any impediment to remanding the application to the Examining Attorney remains after consideration of these remarks, the Board is invited to initiate a telephone interview with the undersigned resolve concerns.

DATED this 9th day of September, 2015.

Respectfully submitted,
