**REQUEST FOR EXTENSION OF TIME FOR FILING APPLICANT'S MAIN BRIEF**

It is respectfully requested that the time now set for filing applicant Vesture Group, Inc.'s ("Applicant") main appeal brief, May 3, 2015, be extended sixty days so that it will be due July 2, 2015.

This request is not made for purposes of delay. Instead, it is being made as a result of prior commitments of both Applicant's attorney and owner that conflict with the current deadline to file Applicant's main appeal brief. Specifically, Applicant's attorney had conflicting deadlines in several other matters during the weeks prior to the current deadline to file the appeal brief, and has numerous other conflicting deadlines in the next thirty days. Similarly, Applicant's owner, who will be responsible for reviewing and approving the appeal brief, is scheduled to be out of the country on a business trip for several days during the week of May 3, 2015. This upcoming trip has required Applicant's owner to devote his full attention and time to Vesture's other matters during the weeks prior to his departure. As a result, neither Applicant's attorney nor its owner have been able to devote the time needed to adequately prepare Applicant's main appeal brief.

It is therefore respectfully requested that Applicant be granted ample time, as contemplated by Rule 2.142(b), in which to file its main appeal brief.

Respectfully submitted,

Dated: April 30, 2015
