**Monique Tyson, Paralegal Specialist:**

In view of the March 5, 2019 Office Action, which the Board construes as a denial, on the merits, of Applicant's August 2, 2018 Request for Remand, the appeal is resumed. The Board will entertain no further requests for remand due to the age of the case, the number of prior requests for remand, and the reasons set forth in the Examining Attorney's March 5, 2019 Office Action.

Applicant is allowed until sixty days from the mailing date hereof in which to file its brief herein. A request for an oral hearing, if desired, must be made not later than ten days after the due date for Applicant's reply brief.
