Request For Extension of Time For Filing Brief

Applicant, Health Net Connect, Inc., pursuant to TMEP 1203.02(d) respectfully requests that Applicant's time to file an Appeal Brief in support of the subject application be extended by sixty (60) days.

Applicant's attorney is presently concluding substantive discussions in reaching an agreement with the owner of registrations cited during examination, which registrations are subject to the instant appeal. Applicant's attorney reasonably expects that the anticipated agreement should resolve a substantial issue, leaving narrowed issues on appeal. Under these circumstances, Applicant's U.S. attorney requires additional time to proceed in the appeal.

On the foregoing, Applicant requests that the time to file its appeal brief be extended until October 26, 2016.

Respectfully submitted,

August 26, 2016
