The USPTO has issued new rules pertaining to TTAB
proceedings. Parties are urged to familiarize themselves
with the new rules.

or after November 1, 2007, the new rules require an opposer
to provide proof of service of the notice of opposition
upon the applicant at the time the notice of opposition is
filed. Trademark Rule 2.101. (Parallel amendments to
Trademark Rule 2.111 require a petitioner to include proof
of service of the petition for cancellation.) Service may
be made by any of the means set out in Trademark Rule
2.119(b). A certificate of service is adequate proof of
