MOTION TO REMAND

**MOTION TO REQUEST SUSPENSION OF THE APPEAL AND
REMAND OF THE APPLICATION FOR SUBMISSION OF NEW EVIDENCE**

Before the Trademark Trial and Appeal Board on Appeal

The trademark examining attorney requests that the Trademark Trial and Appeal Board suspend the appeal proceeding and remand the application to the trademark examining attorney under 37 C.F.R. §2.142(d) in order to submit additional evidence into the record relevant to the issue(s) on appeal.

The trademark examining attorney is making this request at this time because a new trademark examining attorney has taken over the case and, in issuing the denial for the request for reconsideration, evidence that was referenced in the subsequent final action the was inadvertently omitted from the record. As such, the referenced evidence was not adequately made of record. The evidence consists of the following: website screenshots from the applicant's webpage entitled "Accessories". Please see attachments.

Respectfully submitted,

/Andrew T. Clark/
