The Board has scheduled an oral hearing in the above identified proceeding on the date and at the time indicated above.

If Applicant or its attorney, does not appear when the case is called, Applicant's right to an oral hearing will be considered to have been waived.

In an oral hearing on an ex parte appeal, oral arguments will be limited to twenty minutes for the Applicant and ten minutes for the Examining Attorney, unless a longer period is requested and permitted in advance of the hearing date. The Applicant may reserve part of its time for rebuttal.

Any party who does not intend to be present for the oral hearing should file notification thereof through ESTTA at least two weeks in advance of the hearing date.

A party who wishes to reschedule an oral hearing must file a written request through ESTTA, stating the reasons for the request and whether the Examining Attorney has consented to the rescheduling. The Board will reschedule an oral hearing, at the request of Applicant, if the request sets forth a reasonable basis therefor. However, absent compelling circumstances or the consent of the Examining Attorney, the Board will not change a hearing date if the request to reschedule is made within two weeks of the scheduled hearing date. Moreover, the Board may deny a request to reschedule if multiple requests, including stipulations and consented requests, to reschedule have been filed.
