Dear Sir:

Applicant wishes to withdraw the appeal that was entered in the above-referenced U.S. trademark application and wishes to have the application remanded to the Trademark Examining Attorney for allowance.

On January 6, 2016, Applicant requested to divide from the above-referenced trademark application the recited services in International Class 042 (which were the subject of a rejection), thus leaving in the above-referenced trademark application the recited services in International Classes 041 and 044 (which were not the subject of any rejection). Applicant also preventatively filed a Notice of Appeal. Applicant thus now requests to withdraw the appeal and further requests that the above-referenced trademark application be remanded to the Trademark Examining Attorney for

allowance of the application with its recited services in International Classes 041 and 044.

If any matters remain unresolved, a telephone call to the undersigned would be greatly appreciated.

Respectfully submitted,

/Brij K. Agarwal/
