Serial No. 86599450

Filed: 4/16/2015

By the Trademark Trial and Appeal Board:

This appeal is fully briefed, and Applicant's request for an oral hearing (filed December 22, 2017) is noted. As for the method of participation, Applicant has not indicated plans to participate by video conference.

Unless the following information has been previously supplied to the Board, Applicant is allowed until 15 days from the mailing date of this order in which to submit, through ESTTA, a supplemental notice in which Applicant:

- 1) provides three tentative non-consecutive dates and times for the hearing, such dates being *between* six and fourteen weeks beyond the mailing date of this order; and
- 2) informs the Board if Applicant plans to attend by video conference.

In settling on possible dates, Applicant must note that hearings are held on Tuesdays, Wednesdays and Thursdays, between 10:00 a.m. and 3:00 p.m. Eastern Time. It is highly advisable for Applicant to consult with the Examining Attorney when determining the possible dates for the hearing.

If Applicant fails to file a response to this order, the request for an oral hearing will be considered waived, and the matter will be submitted for decision on the record and briefs. TBMP § 1216.

Once the Board has confirmed the hearing date and time, the Board will issue written notice thereof. *See* Trademark Rule 2.129(a) and TBMP § 1216.

If Applicant plans to attend the hearing by video conference, it is Applicant's responsibility to contact a USPTO video conference technician at VTCOPS@uspto.gov no fewer than three business days prior to the confirmed hearing date, setting forth the application serial number(s), the date and time of the hearing, and the type of equipment that Applicant plans to use. A USPTO video conference technician will arrange a test of the equipment that Applicant plans to use. The USPTO does not provide parties with the means to participate by video conference.

If the requesting party wishes to withdraw the request for an oral hearing, the party should submit a waiver of the oral hearing request through ESTTA. The matter will then be decided on the record and the briefs.

Questions or inquiries regarding the hearing can be directed to TTABHearings@uspto.gov.
