Serial No. 86660550

Filed: 6/12/2015

Amy Matelski, Paralegal Specialist:

Applicant's request for reconsideration filed December 22, 2016 is noted and will be constructed as a request for remand.

Applicant seeks remand in order for the Examining Attorney to consider the assignment of the cited Registration No. 4176539 to Applicant. Good cause having been shown, the request for remand is granted, action on the appeal is suspended, and the file is remanded to the Trademark Examining Attorney for consideration.

If the mark is found registrable on the basis of this paper, the appeal will be moot. If the refusal to register is maintained, the Examining Attorney should issue an Office Action so indicating, and return the file to the Board. The appeal will then be resumed and Applicant allowed time in which to file its appeal brief.
