REQUEST FOR RECONSIDERATION DENIED

ISSUE/MAILING DATE: 8/17/2017

The applicant request for reconsideration includes an unsolicited but acceptable disclaimer of the term MONOBLOCK. The disclaimer has been made of record.

The trademark examining attorney has carefully reviewed applicant's request for reconsideration and is denying the request for the reasons stated below. See 37 C.F.R. §2.63(b)(3); TMEP §§715.03(a)(ii)(B), 715.04(a). The following refusal and requirements made final in the Office action dated January 27, 2017, are maintained and continue to be final: Section 2(e)(1) refusal; identification of goods requirement; multi-class application requirement. See TMEP §§715.03(a)(ii)(B), 715.04(a).

In the present case, applicant's request has not resolved all the outstanding issues, nor does it raise a new issue or provide any new or compelling evidence with regard to the outstanding issues in the final Office action. In addition, applicant's analysis and arguments are not persuasive nor do they shed new light on the issues. Accordingly, the request is denied.

Since the applicant has already filed a timely notice of appeal with the Trademark Trial and Appeal Board, the Board will be notified to resume the appeal. See TMEP §715.04(a).
