In re Drone Aviation Holding Corp.

Serial No. 87006021

Filed: 4/19/2016

Tyrone Craven, Lead Paralegal Specialist:

On October 6, 2017, Applicant filed a request for remand to suspend appeal. The request is based on the grounds that Registration No. 4020970, which was cited by the Trademark Examining Attorney as a Section 2(d) bar to registration, should be cancelled for failure to file a Section 8 affidavit.

If the Registrant, within the six-month grace period following the due date does not file a Section 8 affidavit, the cited registration will automatically be cancelled by the office. To date, sufficient time has not elapsed to allow this to occur.

Proceedings with respect to the appeal are suspended pending possible cancellation of Registration No. 4020970. In the event that the cited registration is cancelled, the appeal will be moot. In the event that the Section 8 affidavit of continued use is filed, the appeal will be resumed and the Applicant will be allowed time to file its appeal brief.¹
