Denise M. DelGizzi, Chief Clerk

On April 25, 2018, the Board forwarded the above-captioned appeals to the examining attorney for a brief. On May 31, 2018, the Board consolidated the appeals, and on June 22, 2018, the Examining Attorney filed a Request for Extension of Time to File Appeal Brief on Consolidated Appeals. The examining attorney states in her request that, due to the press of other business at the end of the third quarter of the fiscal year, and the need for additional time to review the evidence in the consolidated record, an additional thirty days to file a brief is requested. *See* TBMP § 1203.02(d).

In view of the examining attorney's explanation, the Board exercises its discretion and grants the examining attorney's request. Accordingly, the examining attorney is allowed until July 24, 2018 to file a brief. A request for an oral hearing, if desired, must be made not later than ten days after the due date for Applicant's reply brief.
