TRADEMARK TRIAL AND APPEAL BOARD**

In re: Jamberry Nails, LLC
Serial No.: 87327621
Appeal Filed: January 5, 2018

APPLICANT'S WITHDRAWAL OF SUSPENSION REQUEST

In response to ESTA869208, Applicant would show that in submitting the Notice of Appeal earlier today, applicant's counsel erroneously checked the "Request for Reconsideration box" on the ESTTA form. Applicant previously filed a request for reconsideration prior to filing the Notice of Appeal, but that request has already been refused by the Examining Attorney. Applicant has not filed, nor does it intend to file, any further request for reconsideration and, therefore, Applicant hereby requests that this appeal be removed from suspended status and continue to proceed.

Respectfully submitted.
