**MOTION FOR REMAND OF APPLICATION TO THE
EXAMINING ATTORNEY, IN LIEU OF FILING THE APPEAL BRIEF**

Commissioner for Trademarks
P.O. Box 1451
Alexandria, VA 22313-1451

Sir:

This is a motion by applicant seeking remand of the application to the examining attorney, in lieu of filing a brief.

Applicant intends to amend the application to the Supplemental Register. This may only be accomplished once jurisdiction of the application is remanded to the examining attorney.

The only extant rejection of the application by the examining attorney is that the mark is merely a surname. An amendment to the supplemental register obviates the extant rejection of the mark, thereby mooting this appeal.

It is believed that an amendment to the supplemental register will place the application in condition for registration.
