Victoria von Vistauxx, Paralegal Specialist:

Applicant's request for suspension and remand of the above-entitled application to the Trademark Examining Attorney, filed on November 26, 2018, is noted.

Applicant seeks remand so that the Trademark Examining Attorney may consider Applicant's proposed amendment to its involved application. Because Applicant's proposed amendment may avoid the refusal of registration, the good cause being established, the request for remand is hereby granted. However, amendment requires consideration by the Trademark Examining Attorney.

Accordingly, the request for remand is **GRANTED**, action on the appeal is **SUSPENDED** and the electronic record of the application file is remanded to the Trademark Examining Attorney for consideration of Applicant's proposed amendment.

If the Examining Attorney allows this application, the appeal will be moot and proceedings on the appeal will terminate in due course. If, however, the amendment is found unacceptable, the Examining Attorney should issue an Office Action indicating the reasons why the proposed amendment is unacceptable and notify the Board, which will then allow Applicant time to file its appeal brief.
