EX PARTE APPEAL

REQUEST FOR REMAND FOR AMENDMENT OF APPLICATION

Amendment of Application

Pursuant to 37 CFR § 2.142(d) and TBMP § 1205.01 Applicant respectfully requests that the Board restore jurisdiction of the above-referenced application to the Examining Attorney. Concurrent with this Request for Remand, Applicant is filing an Amendment delete Class 3 from the application in its entirety.

This Request for Remand, if granted, may obviate the Examining Attorney's refusal to register the above-referenced application and render the Appeal in this matter moot, thereby conserving the resources of the Trademark Trial and Appeal Board. It is believed that this constitutes good cause for this Request.
