Applicant: *The Grambling Legends, Inc.*  
Serial No.: 87440219

**Lalita Webb, Paralegal Specialist:**

On May 5, 2020, Potential Opposer **Grambling State University** filed a request for a final 60-day extension of time to file an opposition to registration of the mark in the above-identified application.

Extensions of time to oppose may be granted only as provided in Trademark Rule 2.102:

... (3) After receiving one or two extensions of time totaling ninety days, a person may file one final request for an extension of time for an additional sixty days. No other time period will be allowed for a final extension of the opposition period. The Board will grant this request only upon written consent or stipulation signed by the applicant or its authorized representative, or a written request by the potential opposer or its authorized representative stating that the applicant or its authorized representative has consented to the request, or a showing of extraordinary circumstances. No further extensions of time to file an opposition will be granted under any circumstances.

Inasmuch as the circumstances recited in the instant request are not deemed extraordinary in nature, and since there is no indication that Applicant has consented thereto, the request is denied.

Extension of Time to Oppose No. 87440219

Potential Opposer's remedy lies in the filing of a notice of opposition if time remains in the opposition period, or in the filing of a petition for cancellation after the application has matured into a registration.
