Best Puppy Food For Labs

May 13, 2019 - 3 Recommendations

Like human children, puppies are constantly growing and changing and are sensitive to the world around them, as well as what is in their diet. That's why it's so important that you feed them well – so they can grow into big, healthy dogs! That's also extra true for Labrador puppies. Labradors are large, energetic dogs. They need all the energy that they can get, and they need a whole lot of protein and a

FEATURES

GPS Tracking

With precise GPS, you'll never lose track of your dog again.

designated area.

Activity Monitor

Keep track of how active your dog is and how many calories your dog burns each day based on breed, age, and weight, so you can monitor and track her health and habits.

Temperature and Environmental Alerts

Get alerted when your dog's ambient temperature is too high or low, and ensure they are always comfortable.

LED Lights

Flashing lights around the collar alert oncoming traffic to the presence of your dog. Activate directly in your Smartphone App.

Geofence

Set a containment area from your mobile app that you do not want your dog to go outside of. Your dog will receive gentle ultrasonic and vibrational deterrents when moving outside that area to keep her fenced in.

Invisible Leash

Using the same gentle vibration and ultrasonic sensors built into the collar, you and your dog can go on walks together without the frustration of a leash.

Humane Corrections

Curb barking and keep them in safe zones with gentle ultrasonic and vibration corrections.

One Simple App

Control everything from your phone with our easy-to-use app.

ADDITIONAL INFORMATION

Want to make sure your dog is fed right whether you are at home or on the go? Ditch the scooping and worrying with the Wagz™ Serve Smart Feeder that delivers the right food at the right time!

FEATURES

- **Portion Control and Calorie Allocation**
Our Serve Smart Feeder leverages activity data from

- **Whello™ Smart Nutrition**
Buh bye bags, welcome Whello Smart Boxes. Let us help you make sure your pet gets the right nutrition for the right stage in their life.
- **Dash Replenishment**
Our smart feeder has Dash Replenishment built right in, so you never have to worry about running out of food. We keep tabs on your inventory so you don't have to! No buttons, no worries.
- **Automatic Dispenser**
Ditch the scoop and dog food mess with our automatic dispenser, which you can program to deliver the correct amount of food, at the right time. Recommended food size is dry kibble 7mm in diameter or larger.
- **Anti-Jam Technology**
Our anti-jamming design means your pet will never miss a meal due to stuck kibble. Sorry kitty cats, this feeder won't work with cat food, as it could cause the system to jam.
- **Built-in Video and One-Way Audio**
Interact with your dog on the go, and see for yourself that she's eating properly while you're away.
- **One Simple App**
Control everything from your phone with our easy-to-use app.
