Ellen Yowell, Paralegal Specialist:

On April 20, 2020, the Board allowed Applicant time to provide an explanation as to why its extension of time to file its appeal brief was filed late. On April 22, 2020, Applicant filed a motion to accept its late-filed request for extension and request to remand its application to the Trademark Examining Attorney for consideration of a consent agreement submitted with the request. Inasmuch as good cause has been shown, the request is granted.

Accordingly, the appeal is suspended, and the application is remanded to the Examining Attorney for consideration of the consent agreement.

In the event that registrability is found on the basis of the request, the appeal will be moot and proceedings will be terminated accordingly. In the event that the refusal of registration is maintained, the Board shall be so informed, proceedings will be resumed, and Applicant will be allowed time in which to file its brief on appeal.
