equipment that the party plans to use. A video conference technician will arrange a test of the equipment the party plans to use. The USPTO does not provide parties with the means to participate by video conference.

If Applicant or its attorney, does not appear when the case is called, Applicant's right to an oral hearing will be considered to have been waived.

Oral arguments will be limited to twenty minutes for the Applicant and ten minutes for the Examining Attorney, unless a longer period is requested and permitted in advance of the hearing date. The Applicant may reserve part of its time for rebuttal.

If Applicant does not intend to be present for the oral hearing, it must file written notification thereof through ESTTA at least two weeks in advance of the hearing date.

If Applicant wishes to reschedule an oral hearing, it must file a written request through ESTTA, stating the reasons for the request and whether the Examining Attorney has consented to the rescheduling, and submit three non-consecutive dates and times. Absent compelling circumstances or the consent of the Examining Attorney, the Board will not change a hearing date if the request to reschedule is made within two weeks of the scheduled hearing date. Moreover, the Board may deny a request to reschedule if multiple requests, including stipulations and consented requests, to reschedule have been filed.

Questions or inquiries regarding the hearing can be directed to [TTABHearings@uspto.gov](mailto:TTABHearings@uspto.gov).
