In re Abbott Diabetes Care Inc.

Serial No. 87739733

Filed: 1/1/2018

Victoria von Vistauxx, Paralegal Specialist:

On September 28, 2019, Applicant filed a request for remand of the above-identified application to the Trademark Examining Attorney. 7 TTABVUE.

Applicant seeks remand so that the Trademark Examining Attorney may review Applicant's proposed amendment to its involved application for registration on the Supplemental Register. Because Applicant's proposed amendment may avoid the refusal of registration, the good cause being established, the request for remand is hereby **GRANTED**.

The amendment requires consideration by the Trademark Examining Attorney. Accordingly, action on the appeal is **SUSPENDED** and the electronic record of the application file is remanded to the Trademark Examining Attorney for consideration of Applicant's proposed amendment.

If the Examining Attorney allows this application, the appeal will be moot and proceedings on the appeal will terminate in due course. If, however, the amendment

is found unacceptable, the Examining Attorney should issue an Office Action indicating the reasons why the proposed amendment is unacceptable and notify the Board, which will then allow Applicant time to file its appeal brief.
