APPLICANT'S MOTION FOR EXTENSION OF TIME TO FILE APPEAL BRIEF

Applicant, by and through its undersigned counsel, hereby requests a 30-day extension of time to file Applicant's Appeal Brief and in support thereof states as follows:

1. Applicant filed a Request for Reconsideration together with a Notice of Appeal on September 11, 2019.
2. The Request for Reconsideration was denied and, by Board Order dated October 9, 2019, Applicant's Appeal Brief is due by December 9, 2019.
3. Applicant has attempted to negotiate a consent agreement with the owner of the registration that serves as the basis for the 2(d) refusal of the instant Application. Given other pressing work matters have consumed the time and attention of Applicant's Director of IP, additional time is necessary to pursue and negotiate said consent agreement.
4. This is the first extension request sought by Applicant.

Based on the foregoing, Applicant respectfully requests that it be allowed until January 8, 2020, in which to file its Appeal Brief.

Respectfully submitted,

DENTONS US LLP
