Serial No. 87890892

Filed: 4/24/2018

By the Trademark Trial and Appeal Board:

On January 15, 2020, the Trademark Examining Attorney filed a request for remand of application Serial No. 87890892 for further examination.[1] Specifically, remand is requested to address an issue asserted in Applicant's appeal brief. (7 TTABVUE). Good cause having been shown, the request is granted. *See* Trademark Rule 2.142(d) and TBMP § 1207.02.

Accordingly, proceedings on the appeal are suspended. The examining attorney is allowed THIRTY DAYS from the date of this order in which to issue an Office action relating to the new evidence to be submitted. The Office action should omit the six-month response clause and the application should be returned to the Board for resumption of the appeal. At that point, applicant will be allowed an opportunity, if so desires, to file a supplemental brief directed to the new evidence submitted by the examining attorney. *See* TBMP 1207.02

[1] Applicant's objection to the Examining Attorney's request for remand is noted.
