In re Golden Technologies, Inc.

Serial No. 87930163

Filed: 5/21/2018

Amy Matelski, Paralegal Specialist:

On August 23, 2021, Applicant filed a request to suspend this appeal.

Applicant seeks suspension of the appeal on the ground that Registration Nos. 3972739 and 4186433, has been cited against the registration of Applicant's mark could be cancelled for failure to timely file a Section 8 affidavit.

If the Registrant, within the six-month grace period following the due date does not file a Section 8 affidavit, the cited registrations will automatically be cancelled by the office. To date, sufficient time has not elapsed to allow this to occur.

In view thereof, the request to suspend is granted, and proceedings are suspended pending a determination as to whether the cited registration will continue in existence or will, instead, be cancelled. *See* TRADEMARK TRIAL AND APPEAL BOARD MANUAL OF PROCEDURE (TBMP) § 1213.

If it comes to Applicant's attention either that the cited registration has been renewed or that it has been cancelled, Applicant should notify the Board.
