**MOTION FOR  
EXTENSION OF DEADLINE  
TO FILE APPEAL BRIEF**

Golden Technologies, Inc. (“Applicant”) hereby moves the Trademark Trial and Appeal Board for a sixty (60) day extension of the current April 24, 2021 deadline for filing Applicant’s appeal brief in this ex parte appeal concerning U.S. Application Serial No. 87/939,668 (“Application”). If granted, the new deadline would be June 23, 2021.

**Argument**

Pursuant to Section 1203.02(d) of the Trademark Trial and Appeal Board’s Manual of Procedure, an extension of time for filing an appeal brief in an ex parte appeal may be granted by the Board upon a written request showing good cause for the requested extension. As good cause for the current extension request, Applicant notes the following:

Attempting to Negotiate a Consent Agreement: Applicant is engaged in discussions with Xiamen Goldenhome Co., Ltd. for a consent agreement in connection with U.S. Registration Nos. 3972739, 5314936, and 5759953 (the Registrant’s name has been recently updated to GoldenHome Living Co., Ltd. in U.S. Reg. Nos. 3972739 and 5759953), which have been cited by the Examining Attorney as the sole basis for refusal of the Application with respect to the listed goods in International Class 010. Should the parties agree to enter into a Consent Agreement, Applicant is confident that this will obviate the refusal to register the Application with respect to the goods in Class

010. Applicant is also attempting to reach an agreement with the owner of U.S. Registration No. 4186433, which has been cited by the Examining Attorney as the sole basis for refusal of the Application with respect to the listed goods in International Class 012. Applicant is confident that such efforts will result in a resolution that would render this ex parte appeal moot.

Applicant believes that it has demonstrated good cause for a single, 60-day extension of the current deadline for filing the Applicant's appeal brief in this matter. Please contact the undersigned with any questions regarding this matter.
