Request for Reconsideration after Final Action

To the Commissioner for Trademarks:

Application serial no. **88240097** OX (Stylized and/or with Design, see <https://tmng-al.uspto.gov/resting2/api/img/88240097/large>) has been amended as follows:

CLASSIFICATION AND LISTING OF GOODS/SERVICES

Applicant proposes to amend the following:

Current: Class 009 for downloadable software for performing employment searches; downloadable software for providing advice and articles in the field of personal development, career development, employment searches, relationship building, networking, career training, job training, salary information, and compensation and benefits; downloadable software for connecting individuals seeking employment, career development, or a career change with potential employers, recruiters, advisors, and mentors; downloadable software for facilitating communication between individuals seeking employment, career development, or a career change and potential employers, recruiters, advisors, and mentors; downloadable software for providing, tracking, and maintaining skill development, skill certifications, and job certifications

Filing Basis: Section 1(b), Intent to Use: For a trademark or service mark application: As of the application filing date, the applicant had a bona fide intention, and was entitled, to use the mark in commerce on or in connection with the identified goods/services in the application. **For a collective trademark, collective service mark, or collective membership mark application:** As of the application filing date, the applicant had a bona fide intention, and was entitled, to exercise legitimate control over the use of the mark in commerce by members on or in connection with the identified goods/services/collective membership organization. **For a certification mark application:** As of the application filing date, the applicant had a bona fide intention, and was entitled, to exercise legitimate control over the use of the mark in commerce by authorized users in connection with the identified goods/services, and the applicant will not engage in the production or marketing of the goods/services to which the mark is applied, except to advertise or promote recognition of the certification program or of the goods/services that meet the certification standards of the applicant.

Proposed:

Tracked Text Description: downloadable software for performing employment searches; ~~downloadable software for providing advice and articles in the field of personal development, career development, employment searches, relationship building, networking, career training, job training, salary information, and compensation and benefits;~~ downloadable software for connecting individuals seeking employment, career development, or a career change with potential employers, recruiters, advisors, and mentors; downloadable software that enables users to exchange online messages with other users for facilitating communication between individuals seeking employment, career development, or a career change and potential employers, recruiters, advisors, and mentors; ~~downloadable software for facilitating communication between individuals seeking employment, career development, or a career change and potential employers, recruiters, advisors, and mentors;~~ downloadable software for providing, tracking, and maintaining skill development, skill certifications, and job certifications

Class 009 for downloadable software for performing employment searches; downloadable software for connecting individuals seeking employment, career development, or a career change with potential employers, recruiters, advisors, and mentors; downloadable software that enables users to exchange online messages with other users for facilitating communication between individuals seeking employment, career development, or a career change and potential employers, recruiters, advisors, and mentors; downloadable software for providing, tracking, and maintaining skill development, skill certifications, and job certifications

Filing Basis: Section 1(b), Intent to Use: For a trademark or service mark application: As of the application filing date, the applicant had a bona fide intention, and was entitled, to use the mark in commerce on or in connection with the identified goods/services in the application. **For a collective trademark, collective service mark, or collective membership mark application:** As of the application filing date, the applicant had a bona fide intention, and was entitled, to exercise legitimate control over the use of the mark in commerce by members on or in connection with the identified goods/services/collective membership organization. **For a certification mark application:** As of the application filing date, the applicant had a bona fide intention, and was entitled, to exercise legitimate control over the use of the mark in commerce by authorized users in

connection with the identified goods/services, and the applicant will not engage in the production or marketing of the goods/services to which the mark is applied, except to advertise or promote recognition of the certification program or of the goods/services that meet the certification standards of the applicant.

Applicant proposes to amend the following:

Current: Class 038 for providing chat room services for business networking to connect job and career mentors with those developing their career skills; communication services, namely, transmitting and receiving text, images, files, audio, video and audio-visual content and other data for the facilitation of communications between two or multiple users via computer networks, communication networks and the global information network

Filing Basis: Section 1(b), Intent to Use: For a trademark or service mark application: As of the application filing date, the applicant had a bona fide intention, and was entitled, to use the mark in commerce on or in connection with the identified goods/services in the application. **For a collective trademark, collective service mark, or collective membership mark application:** As of the application filing date, the applicant had a bona fide intention, and was entitled, to exercise legitimate control over the use of the mark in commerce by members on or in connection with the identified goods/services/collective membership organization. **For a certification mark application:** As of the application filing date, the applicant had a bona fide intention, and was entitled, to exercise legitimate control over the use of the mark in commerce by authorized users in connection with the identified goods/services, and the applicant will not engage in the production or marketing of the goods/services to which the mark is applied, except to advertise or promote recognition of the certification program or of the goods/services that meet the certification standards of the applicant.

Proposed:

Tracked Text Description: providing chat room services for business networking to connect job and career mentors with those developing their career skills; ~~communication services, namely, transmitting and receiving text, images, files, audio, video and audio-visual content and other data for the facilitation of communications between two or multiple users via computer networks, communication networks and the global information network;~~ communication services provided to connect job and career mentors with those developing their job and career skills, namely, transmitting and receiving text, images, files, audio, video and audio-visual content and other data for the facilitation of communications between two or multiple users via computer networks, communication networks and the global information network

Class 038 for providing chat room services for business networking to connect job and career mentors with those developing their career skills; communication services provided to connect job and career mentors with those developing their job and career skills, namely, transmitting and receiving text, images, files, audio, video and audio-visual content and other data for the facilitation of communications between two or multiple users via computer networks, communication networks and the global information network

Filing Basis: Section 1(b), Intent to Use: For a trademark or service mark application: As of the application filing date, the applicant had a bona fide intention, and was entitled, to use the mark in commerce on or in connection with the identified goods/services in the application. **For a collective trademark, collective service mark, or collective membership mark application:** As of the application filing date, the applicant had a bona fide intention, and was entitled, to exercise legitimate control over the use of the mark in commerce by members on or in connection with the identified goods/services/collective membership organization. **For a certification mark application:** As of the application filing date, the applicant had a bona fide intention, and was entitled, to exercise legitimate control over the use of the mark in commerce by authorized users in connection with the identified goods/services, and the applicant will not engage in the production or marketing of the goods/services to which the mark is applied, except to advertise or promote recognition of the certification program or of the goods/services that meet the certification standards of the applicant.

Applicant proposes to amend the following:

Current: Class 041 for consulting in the field of education, namely, in the field of job training; training in the field of best practices for employment searches and qualifying for desired employment; Educational services, namely, conducting classes, seminars, conferences, and workshops in the field of career advice, best practices for employment searches, qualifying for desired employment, job search preparation, career skills training, salary information, and compensation and benefits

Filing Basis: Section 1(b), Intent to Use: For a trademark or service mark application: As of the application filing date, the applicant had a bona fide intention, and was entitled, to use the mark in commerce on or in connection with the identified goods/services in the application. **For a collective trademark, collective service mark, or collective membership mark application:** As of the application filing date, the applicant had a bona fide intention, and was entitled, to exercise legitimate control over the use of the mark in commerce by members on or in connection with the identified goods/services/collective membership organization. **For a certification mark application:** As of the application filing date, the applicant had a bona fide intention, and was entitled, to exercise legitimate control over the use of the mark in commerce by authorized users in connection with the identified goods/services, and the applicant will not engage in the production or marketing of the goods/services to which the mark is applied, except to advertise or promote recognition of the certification program or of the goods/services that meet the certification standards of the applicant.

Proposed:

Tracked Text Description: consulting in the field of education, namely, in the field of job training; training in the field of best practices for employment searches and qualifying for desired employment; Educational services, namely, conducting classes, seminars, conferences, and workshops in the field of career advice, best practices for employment searches, qualifying for desired employment, job search preparation, career skills training, salary information, and compensation and benefits; providing a website featuring prose presentations and non-

[downloadable articles in the field of personal development, career development, employment searches, relationship building, networking, career training, job training, salary information, and compensation and benefits](#)

Class 041 for consulting in the field of education, namely, in the field of job training; training in the field of best practices for employment searches and qualifying for desired employment; Educational services, namely, conducting classes, seminars, conferences, and workshops in the field of career advice, best practices for employment searches, qualifying for desired employment, job search preparation, career skills training, salary information, and compensation and benefits; providing a website featuring prose presentations and non-downloadable articles in the field of personal development, career development, employment searches, relationship building, networking, career training, job training, salary information, and compensation and benefits

Filing Basis: Section 1(b), Intent to Use: For a trademark or service mark application: As of the application filing date, the applicant had a bona fide intention, and was entitled, to use the mark in commerce on or in connection with the identified goods/services in the application. **For a collective trademark, collective service mark, or collective membership mark application:** As of the application filing date, the applicant had a bona fide intention, and was entitled, to exercise legitimate control over the use of the mark in commerce by members on or in connection with the identified goods/services/collective membership organization. **For a certification mark application:** As of the application filing date, the applicant had a bona fide intention, and was entitled, to exercise legitimate control over the use of the mark in commerce by authorized users in connection with the identified goods/services, and the applicant will not engage in the production or marketing of the goods/services to which the mark is applied, except to advertise or promote recognition of the certification program or of the goods/services that meet the certification standards of the applicant.

Applicant proposes to amend the following:

Current: Class 042 for software as a service (SaaS) services featuring software for performing employment searches; providing a website featuring advice and articles in the field of personal development, career development, employment searches, relationship building, networking, career training, job training, salary information, and compensation and benefits; Software as a service (SaaS) services featuring software for connecting individuals seeking employment, career development, or a career change with potential employers, recruiters, advisors, and mentors; Software as a service (SaaS) services featuring software for facilitating communication between individuals seeking employment, career development, or a career change and potential employers, recruiters, advisors, and mentors; Software as a service (SaaS) services featuring software for providing, tracking, and maintaining skill development, skill certifications, and job certifications

Filing Basis: Section 1(b), Intent to Use: For a trademark or service mark application: As of the application filing date, the applicant had a bona fide intention, and was entitled, to use the mark in commerce on or in connection with the identified goods/services in the application. **For a collective trademark, collective service mark, or collective membership mark application:** As of the application filing date, the applicant had a bona fide intention, and was entitled, to exercise legitimate control over the use of the mark in commerce by members on or in connection with the identified goods/services/collective membership organization. **For a certification mark application:** As of the application filing date, the applicant had a bona fide intention, and was entitled, to exercise legitimate control over the use of the mark in commerce by authorized users in connection with the identified goods/services, and the applicant will not engage in the production or marketing of the goods/services to which the mark is applied, except to advertise or promote recognition of the certification program or of the goods/services that meet the certification standards of the applicant.

Proposed:

Tracked Text Description: software as a service (SaaS) services featuring software for performing employment searches; ~~providing a website featuring advice and articles in the field of personal development, career development, employment searches, relationship building, networking, career training, job training, salary information, and compensation and benefits~~; Software as a service (SaaS) services featuring software for connecting individuals seeking employment, career development, or a career change with potential employers, recruiters, advisors, and mentors; Software as a service (SaaS) services featuring software for facilitating communication between individuals seeking employment, career development, or a career change and potential employers, recruiters, advisors, and mentors; Software as a service (SaaS) services featuring software for providing, tracking, and maintaining skill development, skill certifications, and job certifications

Class 042 for software as a service (SaaS) services featuring software for performing employment searches; Software as a service (SaaS) services featuring software for connecting individuals seeking employment, career development, or a career change with potential employers, recruiters, advisors, and mentors; Software as a service (SaaS) services featuring software for facilitating communication between individuals seeking employment, career development, or a career change and potential employers, recruiters, advisors, and mentors; Software as a service (SaaS) services featuring software for providing, tracking, and maintaining skill development, skill certifications, and job certifications
