Date of this Paper: October 13, 2021

REQUEST FOR EXTENSION OF TIME TO SUBMIT APPLICANT'S APPEAL BRIEF

Applicant hereby requests an additional sixty-day extension of time to submit Applicant's Brief in connection with Applicant's appeal of the Examiner's final refusal to register the Applicant's mark. With the requested extension the deadline for submitting the Appeal Brief will expire on December 12, 2021.

The reason for this request for extension is that additional time is needed for Applicant's attorney to correspond with the Applicant regarding the Appeal Brief, alternatives to an appeal, and the status of discussions with the owner of the cited registration regarding consent.

As this is an *ex parte* appeal, no other party will be prejudiced by the requested extension of time.

Wherefore, Applicant respectfully requests that the Board grant the requested extension, and reset the date for filing Applicant's Appeal Brief.

Respectfully submitted,

 /MAMastrovito
