Application No.: 88/345,844
Applicant: Bear Archery, Inc.
Filing Date: March 19, 2019
Law Office: 112
Examiner: Sharon A. Meier
Attorney Docket No.: 34157-226
Mark: APPRENTICE

APPLICANT'S REQUEST FOR REMAND AND RECONSIDERATION

To the Trademark Trial and Appeal Board:

Applicant requests that the present application be remanded to the examining attorney for reconsideration in view of the pending expiration of the cited registration. The present application is subject to a §2(d) rejection based on Registration No. 4,570,848. The six year §8 declaration for Registration No. 4,570,848 is due by July 22, 2020 and to date no declaration has been filed. If the §8 declaration is not filed by the deadline or during the grace period, the cited registration will lapse. Lapse of Registration No. 4,570,848 would moot the present appeal.

Applicant submits that good cause exists and requests remand to the examining attorney. Thereafter, per TMEP §716.02(e), Applicant request the examining attorney to suspend the present application pending a determination of whether the cited registration expires.

Respectfully submitted,

By: /Charles J. Meyer/
