REQUEST FOR REMAND AND SUSPENSION OF APPEAL

Applicant hereby respectfully requests that the Board remand the above-identified Application to the Examining Attorney for reconsideration of the final refusal.

Applicant filed a Request for Reconsideration on May 17, 2022 addressing the outstanding issues in the Application (i.e., the description of goods). However, the Examining Attorney has not yet received the Request for Reconsideration because jurisdiction of the Application is not currently with the Examining Attorney; jurisdiction of the Application remains with the Board. Applicant hereby requests remand to allow the Examining Attorney to consider the amendments to the description of goods made in the Request for Reconsideration. Acceptance of the amendments would obviate the refusal and the need for pursuing this *ex parte* Appeal.

Wherefore, Applicant respectfully requests that the Board (i) remand this Application to the Examining Attorney for consideration of the Request for Reconsideration and (ii) suspend the Appeal pending the Examining Attorney's consideration.

The foregoing constitutes good cause for the requested suspension and remand.

Respectfully submitted,

Hultafors Group AB
