Ex Parte Appeal No. 88636669

**Kelly Young, Paralegal Specialist:**

It has come to the Board's attention that Applicant filed a request for reconsideration through the TEAS system on May 17, 2022. In the request, Applicant seeks to amend its application. Applicant should note that because the appeal was resumed on February 16, 2022, any communication regarding the application should have been filed with the Board through ESTTA.

Good cause having been shown, the request for remand is granted, action on the appeal is suspended, and the file is remanded to the Trademark Examining Attorney.

*See* TBMP § 1209.04

In the event registrability is found, the appeal will be moot. In the event the refusal of registration is maintained, the file should be returned to the Trademark Trial and Appeal Board, proceedings will be resumed, and Applicant will be allowed time in which to file its brief on appeal.
