In re Uman Diagnostics AB

Serial No. 88960633

Filed: 6/11/2020

Ellen Yowell, Lead Paralegal Specialist:

On December 20, 2021, Applicant filed a request to remand the application to the Trademark Examining Attorney. Applicant seeks remand so that the Trademark Examining Attorney may consider a proposed amendment and additional evidence.

Good cause having been shown, the request for remand is granted, action on the appeal is suspended, and the file is remanded to the Trademark Examining Attorney.

See TBMP § 1209.04

In the event registrability is found, the appeal will be moot. In the event the refusal of registration is maintained, the file should be returned to the Trademark Trial and Appeal Board, proceedings will be resumed, and Applicant will be allowed time in which to file its brief on appeal.
