Applicant: *Olive AI, Inc.*

Serial No.: 90065183

**By the Trademark Trial and Appeal Board:**

On May 4, 2021, Potential Opposer Alfa Corporation filed a request for an extension of time to file an opposition to registration of the mark in the above-identified application. Also on May 4, 2021, the Board granted the request and Potential Opposer Alfa Corporation's time to file an opposition was extended until July 4, 2021.

However, due to an administrative clerical error, the subject application inadvertently matured into Registration No. 6393326. The Board regrets this situation, but is without authority to vacate the issuance of said registration.

Accordingly, the matter will be forwarded to the Office of the Commissioner for Trademarks for consideration of the cancellation of the registration, following which further appropriate action will be taken with respect to the request for extension of time to file an opposition.

Potential Opposer should note that the Board will not suspend the time for filing a notice of opposition for any reason. TBMP § 209.01. Accordingly, if Potential

Extension of Time to Oppose No. 90065183

Opposer wishes to preserve its right to oppose, it must timely file a notice of opposition.
