Commissioner:

Applicant hereby requests the Commissioner, pursuant to TBMP § 1203.02(d), to extend the time for filing an appeal brief in this action for six (6) months, up to and including January 22, 2023.

The case is now scheduled for a final briefing and decision. Applicant needs adequate time to research and develop the particular legal issues presented in this appeal.

Thus, Applicant feels that it has good cause due to the Applicant's need to fully develop its case before submitting the appeal brief.

This is the first request for an extension of time to file a brief in this appeal. Furthermore, this request is being filed before the expiration of the time for filing the appeal brief.

Applicant feels that the reasons stated above demonstrate good cause sufficient to receive an extension of time to file an appeal brief, as suggested by TBMP § 1203.02(d).

Respectfully submitted,

/Stanley D. Ference III/
