In re Universal Display Corporation

Ex Parte Appeal No. 90324739

Veronica P. White, Lead Paralegal Specialist:

On December 26, 2023, Appellant filed a subsequent request for an extension of time of one-month to file a proposed amendment. Appellant submitted the required fee. See Trademark Rule 2.6(a)(18)(iv)-(v), 37 C.F.R. § 2.6(a)(18)(iv)-(v). In its request, Appellant's counsel informed the Board that it has received guidance from its foreign agents on the foreign filings for the trademark and is now awaiting the Trademark Examining Attorney to return to the office in order to discuss the proposed amendment to the identification of services, prior to requesting suspension and remand for consideration of the proposed amendment. Appellant believes the amendment will resolve all the outstanding issues in the case and obviate the need for any briefing. Insofar as Appellant has demonstrated good cause based on the totality of the circumstances, Appellant's request is approved and Appellant is allowed until **January 26, 2024** in which to file either a request for remand accompanied by the proposed amendment or Appellant's appeal brief, but no further extensions will be granted except for extraordinary circumstances. See TBMP § 1203.02(d).
