Ex Parte Appeal No. 90357339

Tyrone Craven, Supervisory Paralegal:

On June 27, 2023, Appellant was allowed time to file an amended request that sets forth a showing of extraordinary circumstances. In response, on July 10, 2023, Appellant filed a subsequent request to extend time to file its appeal brief indicating that the additional time is needed because Appellant's counsel has been preparing for and is beginning an emergency injunction hearing on a trademark infringement case in the Southern District of Florida, and in view of an emergency injunction hearing, and preparation for the hearing, including depositions, and witness preparation, this has impacted Appellant counsel's ability to help Appellant resolve the appeal as suggested by the Examining Attorney and/or, in the alternative, to meet the briefing deadline set by the last order.

Based on the totality of circumstances, the instant request is granted to the extent that Appellant is allowed until **August 10, 2023** in which to file its brief, but no further extensions will be granted except for extraordinary circumstances. *See* Trademark Trial and Appeal Board Manual of Procedure (TBMP) § 1203.02(d).
