Commissioner:

Applicant hereby requests the Commissioner, pursuant to TBMP § 1203.02(d), to extend the time for filing an appeal brief in this action for one (1) month, up to and including October 10, 2023.

As the Board is aware, undersigned counsel's father-in-law was taken to the intensive care unit with a stroke and a life threatening brain condition. Undersigned counsel's time has been unexpectedly and emergently absorbed by his family obligations, with he and his wife having traveled away from the office and home to stay with his father-in-law in the hospital.

Sadly, undersigned counsel's father-in-law passed away. Family obligations, including assisting the widow in Florida, have completely uprooted and prevented undersigned counsel's work with Applicant to meet the requirements of either an allowance or filing a brief.

Accordingly, Applicant feels that the reasons stated above demonstrate extraordinary circumstances to receive an extension of time to file an appeal brief, as suggested by TBMP § 1203.02(d).

This is the eighth request for an extension of time to file a brief in this appeal. Furthermore, this request is being filed before the expiration of the time for filing the appeal brief.

Respectfully submitted,

/Stanley D. Ference III/
