Commissioner:

Applicant hereby requests the Commissioner, pursuant to TBMP § 1203.02(d), to extend the time for filing an appeal brief in this action for one (1) month, up to and including December 11, 2023.

Applicant has consulted with undersigned counsel now as is in the process of finalizing an amendment to the identification of goods. This amendment is being coordinated with foreign counsel because it impacts the related pending foreign trademarks for the same mark. Once finalized, Applicant will move to suspend the appeal and remand the case back

to the Examining Attorney in order to review the final amendment. Applicant believes that the amendment will resolve all the outstanding issues in the case.

Accordingly, Applicant feels that the reasons stated above demonstrate extraordinary circumstances to receive an extension of time to file an appeal brief, as suggested by TBMP § 1203.02(d).

This is the eleventh request for an extension of time to file a brief in this appeal. Furthermore, this request is being filed before the expiration of the time for filing the appeal brief.

Respectfully submitted,

/Stanley D. Ference III/
