In re Universal Display Corporation

Ex Parte Appeal No. 90357339

Veronica P. White, Lead Paralegal Specialist:

On November 10, 2023, Appellant filed a subsequent request for an extension of time of one-month to file its appeal brief. Appellant submitted the required fee. *See* Trademark Rule 2.6(a)(18)(iv)-(v), 37 C.F.R. § 2.6(a)(18)(iv)-(v). In its request, the Board was informed that Appellant's counsel is in the process of finalizing an amendment to the identification of goods and Appellant believes that the amendment will resolve all the outstanding issues in the case. The amendment is being coordinated with foreign counsel because it impacts the related pending foreign trademarks for the same mark.

Insofar as Appellant has demonstrated good cause based on the totality of the circumstances, Appellant's request is approved and Appellant is allowed until **December 11, 2023** in which to file either a request for remand accompanied by the proposed amendment or Appellant's appeal brief, but no further extensions will be granted except for extraordinary circumstances. *See* Trademark Trial and Appeal Board Manual of Procedure (TBMP) § 1203.02(d).
