In re Universal Display Corporation

Ex Parte Appeal No. 90357339

Veronica P. White, Lead Paralegal Specialist:

On December 11, 2023, Appellant filed a subsequent request for an extension of time of two-weeks to file a proposed amendment. Appellant submitted the required fee. *See* Trademark Rule 2.6(a)(18)(iv)-(v), 37 C.F.R. § 2.6(a)(18)(iv)-(v). In its request, Appellant informed the Board that it's amendment is being coordinated with foreign counsel because it impacts the related pending foreign trademarks for the same mark. Appellant needs additional time for final guidance on the amendment's impact on the foreign trademarks. Once finalized, Appellant will move to suspend the appeal and remand the case back to the Trademark Examining Attorney for consideration. Appellant believes the amendment will resolve all the outstanding issues in the case.

Insofar as Appellant has demonstrated good cause based on the totality of the circumstances, Appellant's request is approved and Appellant is allowed until **December 26, 2023** in which to file either a request for remand accompanied by the amendment or Appellant's appeal brief, but no further extensions will be granted except for extraordinary circumstances. *See* TBMP § 1203.02(d).
