Ex Parte Appeal No. 90357339

**Veronica P. White, Lead Paralegal Specialist:**

On January 26, 2024, Appellant filed a subsequent request for an extension of time of one-month to file a proposed amendment. Appellant submitted the required fee. *See* Trademark Rule 2.6(a)(18)(iv)-(v), 37 C.F.R. § 2.6(a)(18)(iv)-(v).

In its request, Appellant's counsel informed the Board that he has spoken with the Trademark Examining Attorney and is awaiting direction as to how to move forward with regard to amending the identification of services in the subject application. Appellant's counsel believes that once the Examining Attorney follows up about the proposed amendment, the amendment will resolve all the outstanding issues in the case and obviate the need for any briefing.

Insofar as Appellant has demonstrated good cause based on the totality of the circumstances, Appellant's request is approved and Appellant is allowed until **February 26, 2024** in which to file either a request for remand accompanied by the proposed amendment or Appellant's appeal brief, but no further extensions will be granted except for extraordinary circumstances. *See* TBMP § 1203.02(d).
