Serial No.: 90867301

Filed: Aug. 5, 2021

Mark:

REQUEST FOR REMAND

Applicant respectfully requests the Board remand the above-referenced application to the assigned Examiner at the United States Patent and Trademark Office (“USPTO”) on the grounds that Applicant has discovered new evidence that U.S. Trademark Registration No. 5293525, which the Examiner cited against the above-referenced application in the Final Office Action dated December 2, 2022, has never been used. Based on this new evidence, a Petition for Expungement against this registration was filed with the USPTO. A copy of the Petition for Expungement is attached hereto. As such, Applicant requests the above-referenced application be remanded so that the Examiner can consider this evidence of non-use. Applicant also requests prosecution of this application be suspended pending disposition of the expungement proceeding against Registration No. 5293525. In addition, with respect to the refusals issued in connection with U.S. Trademark Registration Nos. 5001010 and 6219122, Applicant will assign ownership of the application to its sister company, Livekindly Germany GmbH, thus the products will emanate from the same source.

Date: June 2, 2023

Respectfully submitted,

RE: Registration No.: 5293525
Mark: **LIKE**
Registrant: elito Health Science GmbH
Schusterstrasse 14
A-6460 Imst/Tyrol
Austria
Registration Date: September 26, 2017

PETITION FOR EXPUNGEMENT

Pursuant to 37 C.F.R. § 2.91(a)(1), Madison McNulty of Cozen O'Connor ("Petitioner") submits to the United States Patent and Trademark Office ("USPTO") this Petition for Expungement against Registration No. 5293525 for the mark **LIKE** (the "Registered Mark"), registered to elito Health Science GmbH ("Registrant"), in connection with all the goods in the registration, namely, "*Chemicals used in industry, science and photography, as well as in agriculture, horticulture and forestry, in particular sugar substitutes and flour substitutes; unprocessed artificial resins, unprocessed plastics; manures; fire extinguishing compositions; tempering and soldering chemicals; chemical substances for preserving foodstuffs; tanning agents for use in the manufacture of leather; adhesives used in industry*" in International Class 1, "*Meat, non live fish, poultry and game; meat extracts; frozen and dried fruits and vegetables; jellies, jams; eggs; edible oils and fats*" in International Class 29, and "*Coffee, tea, cocoa and artificial coffee; rice; tapioca and sago; flours and flour substitutes and preparations made from cereals, namely, cereal bars; bread, pastry and confectionery made of sugar or sugar substitutes; ices; sugar, sugar substitutes, honey, golden syrup; yeast, baking-powder; salt; mustard; vinegar, sauces being condiments; spices; ice; chocolate and confectionery items made of sugar or sugar substitutes*" in International Class 30 (collectively, the "Registered Goods").

1. This Petition for Expungement is submitted to the Director of the United States Patent and Trademark Office (“USPTO”) on the ground the mark **LIKE** in the Registration has never been used by Registrant in United States commerce or in connection with any of the goods in Registration No. 5293525. See **Exhibit A** for the TSDR printout for the Registered Mark.

2. The Registered Mark was issued on September 26, 2017, more than three years before the date of this Petition, making this Petition for Expungement timely under 37 C.F.R. § 2.91(b)(1).

PETITIONER’S INVESTIGATION

3. Petitioner conducted a reasonable investigation and has made a *bona fide* attempt to determine whether the Registered Mark has ever been used by Registrant in commerce or in connection with the Registered Goods identified in Registration No. 5293525, in accordance with 37 C.F.R. § 2.91(d).

4. Petitioner found no evidence the Registered Mark was ever in use for the Registered Goods in the United States.

5. Registrant’s website, www.elito.cc, is currently active, and does not display any use of the Registered Mark. See **Exhibit B** and <http://www.elito.cc/>. From the homepage, a user can choose to enter different sites depending on their preferred language. Specifically, the domain www.elito.cc/en/divisions.htm resolves to Registrant’s website in English. Similarly, that website does not display any use of the Registered Mark. See **Exhibit C** and <http://www.elito.cc/en/divisions.htm>.

6. Petitioner conducted research on the Wayback Machine (archive.org) regarding the historical use of Registrant’s website. This investigation revealed Registrant has never displayed the Registered Mark on its website.

7. The domain name “elito.cc” originally registered in 2009, per the Whois domain information, and it appears Registrant has owned the domain since it was registered. *See Exhibit D.* The archives from the Wayback Machine indicate Registrant’s English website has remained unchanged since at least as early as 2012. *See Exhibit E.*

8. This historical investigation further evidences Registrant never used the Registered Mark in the United States.

9. Petitioner also tried to locate Registrant’s social media pages, including Twitter, Instagram and Facebook, to assist in determining if Registrant is using the Registered Mark in connection with the Registered Goods. However, based on Petitioner’s investigation, it appears Registrant does not maintain any social media pages.

10. Relevant Google searches – including search terms such as “Elito LIKE”, “LIKE food” and “LIKE chemicals” – do not reveal any hits connecting Registrant and the Registered Mark. *See Exhibit F.*

11. The Registration and documents submitted in connection with the Registrant and the application for the Registered Mark do not establish use of the Registered Mark.

12. Notably, Registrant sought registration of the Registered Mark under Section 66(a) of the Trademark Act. As such, use of the Registered Mark in United States commerce was not required as a prerequisite to registration. *See Exhibit G.*

13. Despite the fact that the Registered Mark has been registered since September 26, 2017, use of the Registered Mark in United States commerce has never been alleged and no specimen of use has ever been filed. *See id.* Therefore, there is no evidence in the official records for the Registered Mark to indicate it has ever been used in United States commerce.

14. Petitioner also searched all other United States Federal and State trademarks owned by Registrant. This search revealed no other LIKE-formative registrations or applications in the United States owned by Registrant. *See Exhibit H.*

15. Lastly, an investigative agency, Robert Jackson and Associates, Inc. (the “Agency”), conducted a comprehensive investigation to determine the extent of use of the Registered Mark. *See Declaration of Robert Goldkind, attached here to as Exhibit I (“Goldkind Dec.”) and the accompanying investigative report.*

16. The Agency first attempted to speak with someone at the Registrant. *See Goldkind Dec ¶ 4, Ex. 1.* However, they were unable to do so despite repeated attempts, and consistently reached Registrant’s voicemail. *See id.*

17. The Agency ultimately determined an individual – Peter Prantl – is a principal of Registrant. *See Goldkind Dec ¶ 5, Ex. 1.* Mr. Prantl currently works at Genuss ohne Reue GmbH (“Genuss”). *See id.* ¶ 6, Ex. 1 Therefore, the Agency next attempted to contact Mr. Prantl at Genuss. *See id.* They were able to speak with an individual at Genuss who identified herself as a sales manager and informed the Agency she was unfamiliar with the Registered Mark and was “not sure Elito exists anymore”. *See id.* She also confirmed that Mr. Prantl currently works at Genuss. *See id.*

18. The Agency spoke with another employee of Genuss, who also confirmed Mr. Pantle is employed by Genuss. *See Goldkind Dec ¶ 6, Ex. 1.* This individual also stated he was familiar with Registrant, but was unaware of the Registered Mark as used in connection with any of Registrant’s products. *See id.*

19. The Agency also sent a message to the email address listed on Registrant’s website, office@elito.cc, but did not receive a response. *See Goldkind Dec ¶ 7, Ex. 1.*

20. Similarly to Petitioner, the Agency also found no reference to the Registered Mark on Registrant’s website. *See* Goldkind Dec ¶ 7, Ex. 1.

21. The investigation revealed the “Shop” URL, <http://www.low-carb-shop.cc>, for Elito BIO is currently inactive and unregistered. *See* Goldkind Dec ¶ 8, Ex. 1. An review of the archived webpages for that website from September 3, 2010 to July 7, 2016 revealed no reference to the Registered Mark. *See id.* As of 2017, the website’s URL redirects to the Genuss website located at domain www.genussohnereue.com. There is no reference to the Registered Mark on the Genuss website. *See id.*

22. The Agency also investigated the links listed on Registrant’s website under its “Recommendations” page. *See* Goldkind Dec ¶ 9, Ex. 1. Several of these did not link to an active website and, for those that did, none displayed any reference to the Registered Mark. *See id.* Specifically, the Agency spoke to an individual at Sukrin USA, a European brand of artificial sweetener products. *See id.* This individual informed the Agency that Registrant “sells some of Sukrin’s products in Europe”, but she was unaware of the Registered Mark. *See id.*

23. Lastly, the Agency conducted Boolean Internet searches for terms such as “Elito and LIKE”, “elito.cc and LIKE”, “Genuss, Elito and LIKE”, “Sukrin and LIKE”, “Genuss and LIKE”, and “Peter Prantl, Elito and LIKE”, and ultimately found no reference to any product offered in connection with the Registered Mark. *See* Goldkind Dec ¶ 10, Ex. 1.

CONCLUSION

24. Registration No. 5293525 for the mark **LIKE** should be expunged under the Trademark Modernization Act as a reasonable investigation did not reveal any use of the mark in commerce for any of the Registered Goods in the United States.

WHEREFORE, Petitioner requests the USPTO sustain this Petition for Expungement in favor of Petitioner and that Registration No. 5293525 be cancelled in its entirety.

The filing fee, four hundred dollars (\$400), is being transmitted electronically with submission.

VERIFIED STATEMENT OF REASONABLE INVESTIGATION
IN SUPPORT OF PETITION FOR EXPUNGEMENT

1. My name is Madison McNulty, and I am a practicing attorney admitted to the bar of Pennsylvania. I am employed as an Associate Attorney at Cozen O'Connor and maintain an office at 1650 Market Street, Suite 2800, Philadelphia, Pennsylvania 19103.

2. During the time period of May 24, 2023 through May 31, 2023 I personally researched the possible use of the mark, **LIKE**, Registration No. 5293525 and registered to elito Health Science GmbH, in relation to the all goods in the registration, namely, "*Chemicals used in industry, science and photography, as well as in agriculture, horticulture and forestry, in particular sugar substitutes and flour substitutes; unprocessed artificial resins, unprocessed plastics; manures; fire extinguishing compositions; tempering and soldering chemicals; chemical substances for preserving foodstuffs; tanning agents for use in the manufacture of leather; adhesives used in industry*" in International Class 1, "*Meat, non live fish, poultry and game; meat extracts; frozen and dried fruits and vegetables; jellies, jams; eggs; edible oils and fats*" in International Class 29, and "*Coffee, tea, cocoa and artificial coffee; rice; tapioca and sago; flours and flour substitutes and preparations made from cereals, namely, cereal bars; bread, pastry and confectionery made of sugar or sugar substitutes; ices; sugar, sugar substitutes, honey, golden syrup; yeast, baking-powder; salt; mustard; vinegar, sauces being condiments; spices; ice; chocolate and confectionery items made of sugar or sugar substitutes*" in International Class 30.

3. I was thorough in my research and investigated all the sources I believe most likely to reveal results indicating use by the Registrant of the Registered Mark in connection with the Registered Goods. This investigation included: 1) a Google search to locate potential use; 2) a search for Registrant's other trademarks; 3) a Whois search for Registrant's domain; 4) a review

of Registrant's website; 5) a search via the Wayback Machine regarding the historical use of Registrant's website; and 6) an examination of the USPTO filing history for the Registered Mark.

4. Additionally, an investigative agency, Robert Jackson and Associates, Inc., also conducted an investigation to determine the extent of use of the Registered Mark. This investigation involved contacting individuals and entities associated with Registrant, a review of archived webpages for Registrant's website and associated websites, and various Boolean Internet searches. Robert Jackson and Associates, Inc.'s full report is attached to the Petition for Expungement as Exhibit I.

5. This Petition for Expungement explains my findings and the attached pieces of evidence are the results of my research and investigation, as well as the investigation conducted by Robert Jackson & Associates.

6. I was ultimately unable to locate any past or present use of the Registered Mark, **LIKE**, used by the Registrant in connection with the Registered Goods.

Under penalty of perjury, pursuant to laws of the United States, codified as 28 U.S.C. § 1746 and 18 U.S.C. § 1621, I declare that all statements are true to the best of my knowledge.

Registration Date: September 26, 2017

**DECLARATION OF ROBERT GOLDKIND IN SUPPORT OF THE
PETITION FOR EXPUNGEMENT OF REGISTRATION NO. 5293525**

Robert Goldkind hereby declares as follows:

1. I am an investigator at Robert Jackson and Associates, Inc. I make this Declaration in support of the Petition for Expungement of United States Trademark Registration No. 5293525 for the mark **LIKE** (the "Registered Mark"), registered to elito Health Science GmbH ("Registrant").
2. Attached as Exhibit 1 hereto is a true and correct copy of my full investigative report.
3. I undertook this investigation for the purpose of determining the extent of use of the Registered Mark.
4. I attempted to speak with someone at the Registrant. However, I was unable to do so despite repeated attempts, and consistently reached Registrant's voicemail.
5. I determined an individual named Peter Prantl was a principal of Registrant.
6. Mr. Prantl currently works at Genuss ohne Reue GmbH ("Genuss"). Therefore, I attempted to contact him at Genuss. I was able to speak with an individual at Genuss who identified herself as a sales manager and stated that she was unfamiliar with the Registered Mark

and was “not sure Elito exists anymore”. She also confirmed that Mr. Prantl currently works at Genuss. I spoke with an employee of an affiliate entity of Genuss at the same address and number, who also confirmed Mr. Pantl is based at this same office. This individual also stated he was familiar with Registrant, but was unaware of the Registered Mark as used in connection with any of Registrant’s products.

7. I also sent a message to the email address listed on Registrant’s website, office@elito.cc, but did not receive a response. I found no reference to the Registered Mark on Registrant’s website.

8. The investigation revealed the “Shop” URL, <http://www.low-carb-shop.cc>, for Elito BIO is currently inactive and unregistered. A review of various archived webpages for that website from September 3, 2010 to July 7, 2016 revealed no reference to the Registered Mark. As of 2017, the website’s URL redirects to the Genuss website located at domain www.genuss-ohne-reue-shop.com. There is no reference to the Registered Mark on the current Genuss website at www.genussohnereue.com.

9. I also investigated the links listed on Registrant’s website under its “Recommendations” page. Several of these did not link to an active website and, for those that did, none displayed any reference to the Registered Mark. I was able to speak to an individual at Sukrin USA, a European brand of artificial sweetener products. This individual stated that Registrant “sells some of Sukrin’s products in Europe”, but she was unaware of the Registered Mark.

10. Lastly, I conducted Boolean Internet searches for various relevant search terms, and ultimately found no reference to any product offered in connection with the Registered Mark.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on: June 1, 2023
New York, New York

A handwritten signature in black ink, appearing to be "R. Ci".

J-999-9802

Elito Health Science GmbH
Schusterstrasse 14
A-6460 Imst / Tyrol
Austria

This investigation was undertaken to determine
the extent of use of the LIKE trademark.

Elito Health Science GmbH has an address of 14 Schustergasse, Imst 6460, Austria and a telephone number of 43-676-72-51-300.

We attempted to speak with someone at Elito Health Science GmbH, however, we consistently reached a voicemail message.

We determined that Peter Prantl is the principal of Elito Health Science GmbH and that he works at Genuss ohne Reue GmbH, an affiliate entity at 4 Brookstiege, Stapelfeld 22145, Germany with a telephone number of 49-40-2370-0853.

We attempted to speak with Peter Prantl but he has been unavailable during the course of this investigation.

We spoke with Alessia Höring, sales manager at Genuss ohne Reue GmbH, sales manager at Genuss ohne Reue, who was not familiar with LIKE and told us that she is “not sure Elito exists anymore.” She said, “Peter [Prantl] works with us.”

Höring informed us that she would inquire with Peter Prantl about LIKE and contact us with any information.

We have not received a response to date from Höring but will supplement this report with any further information.

We also spoke with Moe, who informed us that he shares office space with Peter Prantl, and was familiar with Elito Health Science but was unaware of LIKE as the name for any product.

We found no reference to LIKE on the Elito website, <http://www.elito.cc>, which states:

elito BIO markets lifestyle nutrition products at the point where carbohydrate-conscious and fat-balanced nutrition meets natural and biological quality. We sell exclusively to wholesalers, health-shop partners, nutritional advisers, pharmacies and medical institutions all over Europe and the Middle East.

The “Divisions” page on the site, <http://www.elito.cc/en/divisions.htm>, lists Elito BIO, which “develops, produces and markets tasty and natural health products;” Elito MED, which “develops and realizes health conceptions for Spa hotels, companies and private customers;” and Elito FIT, which “creates tailor-made coaching programs to enhance mental well-being, cognitive performance and youthful dynamism.”

The site lists Peter Prantl as chief executive officer.

We sent messages both to the email address, office@elito.cc, listed on the website and through the Contact page webform but have not received a response to date. We will supplement this report with any further information.

The “Shop” URL, <http://www.low-carb-shop.cc>, for Elito Bio is currently unregistered.

We found archived webpages for the Low Carb Shop from September 3, 2010 to July 7, 2016, however, we found no reference to LIKE on various pages we viewed, all of which were in German.

Contact pages list a telephone number, 43-5414-20352, that currently reaches a recording in German.

As of August 10, 2016, the homepages state, “Genuss ohne Reue Low Carb Shop” and as of May 16, 2017, the URL redirects to the Genuss ohne Reue website at <http://www.genuss-ohne-reue-shop.com>.

Currently, the <http://www.genuss-ohne-reue-shop.com> URL redirects to the Genuss ohne Reue website at <https://www.genussohnereue.com>, where we found no reference to any product with the LIKE name.

The “Recommendations” page on the Elito website, <http://www.elito.cc/en/recommendations.htm>, lists the <https://www.mitohnekoehen.com> site, which appears to be a German nutritional resource site where we found no reference to any LIKE product. Another site, <http://www.gesund-schlank-schoen.at>, listed on the Elito page does not currently reach a website.

The Elito page also lists Sukrin and links to the Sukrin sweetener product page on the Genuss ohne Reue website, <https://genussohnereue.com/listing/manufacture/sSupplier/3?p=1&o=2&n=12&delivery=1>.

We determined that Sukrin USA has an address of 361 Cleveland Place, Suite 101, Virginia Beach, VA and a telephone number of 757-963-9662.

We spoke with Pernille who said that that Elito “sells some of Sukrin’s products” in Europe.” She was unaware of LIKE and had no further information regarding Elito.

Pernille informed us that Sukrin is a European brand of artificial sweetened products and that her company is the US distributor.

For Client’s Information: Elito Health Science GmbH, Schusterstrasse 14 A-6460 Imst / Tyrol, Austria, registered the “Sukrini” trademark with the USPTO on August 15, 2017, which was assigned to Funksjonell Mat AS, Gamle Leirdals Vei 12, N-1081 Oslo, Norway, on March 28, 2018.

We conducted various Boolean Internet searches for terms such as Elito and LIKE; elito.cc and LIKE; Genuss, Elito and LIKE; Sukrin and LIKE; Genuss and LIKE, Peter Prantl, Elito and LIKE and found no reference to any product with the LIKE name.

Upon instructions from the client, we will pursue this investigation further at a later date.
