FURTHER COMMUNICATION TO TRADEMARK TRIAL AND APPEAL BOARD

This is a follow-up to applicant's July 1, 2001 Communication to Trademark Trial and Appeal Board. Applicant does not appear to have received any reply to the July 1, 2002 Communication and, as of today's date, the subject applications have not been passed to registration.

By decision dated November 30, 2000, the Trademark Trial and Appeal Board issued a decision denying the opposition filed by PC Club and ruling in favor of applicant, General Dynamics Ordnance and Tactical Systems, Inc. (formerly know as Primex Technologies, Inc.). PC Club timely filed a Notice of Appeal to the Court of Appeals for the Federal Circuit, and an

appeal ensued. By decision dated March 22, 2002, the Court of Appeals upheld the decision rendered by the Trademark Trial and Appeal Board, denying PC Club's opposition.

The deadline for any further appeal by PC Club has long-since passed and it is apparent that no appeal has been filed by Opposer, PC Club. Accordingly, applicant respectfully requests that the Trademark Trial and Appeal Board return the subject applications to the Publication and Issue Section for issuance of the Certificates of Registration without further delay.

Dated: October 10, 2002

Respectfully submitted,
