OPPOSER'S MOTION TO EXTEND THE TESTIMONY PERIODS

Opposer, Omega S.A., respectfully moves the Board pursuant to TBMP §509.01, to extend Opposer's trial testimony period for an additional ninety (90) days from the date of the Board's ruling on this matter, and to extend all other relevant trial and testimony periods in this opposition proceeding.

The Opposer and the Applicant are still discussing a potential settlement agreement. The Opposer requires this additional time to further explore a possible settlement to resolve this matter.

Opposer respectfully submits that this motion to extend its trial testimony period is not being filed for the purpose of delay, or submitted in bad faith or for any other improper motive. As evidenced by the enclosed letter, the parties are in settlement negotiations and Opposer is considering a possible settlement, but requires this additional time to resolve the matter.

Opposer respectfully requests that the Board grant its motion to extend the trial testimony period in this matter an additional ninety (90) days from the Board's ruling on this matter, and that all other dates be reset accordingly.

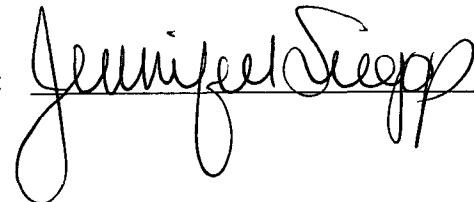

Respectfully submitted for
OMEGA S.A.,
