DECLARATION OF IRENE HUDSON

Irene Hudson, hereby declares that the following is true and correct to the best of my knowledge, information and belief.

1. I am an associate of Fish & Richardson P.C., counsel for Opposer, American Honda Motor Co., Inc. ("Honda").
2. I make this Declaration in support of Honda's Motion to Test the Sufficiency of Applicant's Responses to Opposer's Requests to Admit.
3. Specifically, I want to bring to the Board's attention certain information regarding the underlying documents that were produced for inspection and copying.
4. I or someone from my office at my direction obtained and printed a complete copy of the URL <http://isysit.com/tbc/>, a copy of which is annexed hereto as Exhibit 1.
5. The argument of the Motion submitted contemporaneously herewith refers to portions of Honda's First Requests for Production of Documents and Things, a copy of which is annexed hereto as Exhibit 2. I reviewed those requests for references to them in the Motion.

6. The argument of the Motion submitted contemporaneously herewith refers to TBC's production. I reviewed all of TBC's production for references to it in the Motion and Second Set of Requests to Admit. In particular, I reviewed the production and found that it lacked documents relating to classes of customers and areas of distribution. I also reviewed the 2000 through 2003 editions of *Tread Design Guide* published by Bennett Garfield, as produced by TBC.
