**STIPULATED REQUEST FOR EXTENSION OF DISCOVERY AND TRIAL DATES**

It is requested by counsel for the parties, that the discovery and trial dates in this proceeding be extended 90 days and reset as noted below:

Period for Discovery to Close      September 20, 2002

Testimony period for party in  
position of Plaintiff to close      December 19, 2002

Testimony period for party in  
position of Defendant to close      February 17, 2003

Rebuttal closes      April 3, 2003

Briefs shall be filed in accordance with Rule 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Rule 2.129.

The reason for the further extension is that the parties have exchanged terms for possible settlement and further time is needed to explore possible settlement options.

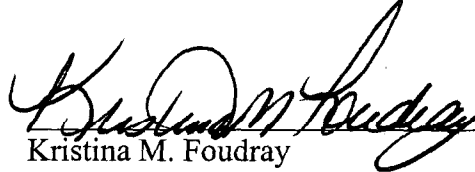

This extension is not for the purpose of mere delay, but is necessary for the good cause indicated above.

This extension request is with the consent of Opposer's Attorney Howard Miskin of the firm of STOLL, MISKIN, HOFFMAN & BADIE, who filed a Notice of Opposition on behalf of Opposer and also consented to the extension on behalf of Sakura Color Products of America, Inc., the Opposer.

By its Attorneys,
