v.

MOVADO CORPORATION

Eric McWilliams, Paralegal Specialist

Opposer's consented motion filed July 5, 2005 to suspend proceedings is granted.

Because the parties are negotiating for possible settlement of this case, proceedings herein are suspended until six months from the mailing date of this action, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).¹

In the event that there is no word from either party concerning the progress of their negotiations within the next six months, the Board will issue an order resuming proceedings and resetting trial dates, including the time for discovery.

¹ The parties are forewarned that future motions to extend or suspend will require a report on the progress of the parties' settlement negotiations. Such report must include: a recitation of the issues that have been resolved, a recitation of the issues that remain to be resolved and, a firm timetable for resolution. Failing which, any future motions may not be approved, even though agreed to by the parties.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
